Subject: RE: 2 Open Records Requests - Standard & Poor / Fitch Letters/Documents - ORR No. 7205 - Response

Ms. Kuhns:

Your request was assigned Open Records Request (ORR) No. 7205. **After careful review, SAWS does not have any records that are responsive to this request.** Attached are copies of Fitch and Standard & Poor’s most recent credit reports on SAWS from April of 2018. Although the Texas Public Information Act allows a governmental body to charge for the production of records, in accordance with Section 552.267, Texas Government Code, the attached records are provided at no charge.

I thank you for your inquiry and hope this information is helpful.

Sincerely,
Barbara Martinez
Manager of Corporate Records
