SHERYL SCULLEY RETIREMENT

COUNCIL MEMBERS,

Ms. Sculley has announced her retirement, but wants to continue working. What does this simple statement mean to you and to us, your constituents? The attached **Revelation** #38.2 reviews how we got into this mess, and what Ms. Sculley intends, based on her own words and actions.

The objective here is to alert us all to the risk of Ms. Sculley's uncertain, unmanaged future.
